

Preparing for FY25 Opportunities Released by America’s Datahub Consortium (ADC)

Questions & Answers

	Question	Answer
1	Among the 73 proposals submitted in 2024, how many were funded?	10 solicitations; 11 projects funded
2	Will evaluation ratings be provided to applicants?	The Offeror will have the opportunity to request feedback on the proposal evaluation following the selection decision. This feedback will include the assigned ratings.
3	Can you clarify how you think of diversity in the context of resumes? Does this mean diversity of the individual team members, or diversity in terms of organizational affiliations (e.g., mix of traditional and non-traditional affiliations), or both?	<p>The “Outstanding” rating for teaming is the following: “The resumes show that the team is diverse and highly qualified to successfully conduct the proposed project or research. The experienced team includes the use of non-traditional entities. The proposal designates team organization and management structure and specify the main point of contact for the NCSES. The risk of unsuccessful performance is low.”</p> <p>Diversity in resumes reflects individuals with varied backgrounds, experiences, and expertise, contributing to a broad range of perspectives and skills that can adequately contribute to the solicitation’s requirements.</p>
